

## Busy Bees

January 2019

Dear Parents and Students,

Happy New Year! Welcome 2019! The December holidays have come to an end, and things will be returning to the “norm” soon. The Busy Bees are going to enjoy the following themes during the month of January!

December 31 – January 4	Happy New Year / Winter
January 7-11	Winter / Winter Olympics
January 14-18	Polar & Artic Animals
January 21-25	Outer Space
January 28-February 1	Our Pets

This month we will be having winter fun, experimenting with snow and ice, doing winter activities in many ways! We will investigate how animals, plants and people work, play and grow in cold climates. The children will learn through stories, dramatic play, hands on literacy and early numeracy activities and songs, dancing and creative artworks.

Please be sure that they have a warm hat, gloves, boots, snow pants and coat for outdoor play. We will be doing experiments with snow and ice and playing outside every day during the first 3 weeks. The week of January 21 will be all about outer space, our solar system, lots of experiments to simulate other planets environments. We will imagine that we are traveling in outer space. The last week we will examine and learn about different kinds of pets, we will enjoy lots of dramatic play around the theme like a pet shop, a veterinarian office, a grooming shop, and more.

Penacook Community Center will be closed on New Year’s Day (January 1) and Martin Luther King / Civil Rights Day (January 21). Please make your arrangements for your child’s care those days.

February we will be looking forward to new and exciting studies which will include Groundhog’s Day, Valentine’s Day and President’s Day holidays.

Sincerely,

Ms. Anna
