

Penacook Farmers Market

Hello Vendor or Crafter,

Thank you so much for your continued support going on 10 years. This 2019 Penacook Farmers Market (FM) is still in the same place as last year brought about by the requests of vendors and the many visitors. Penacook Community Center, Inc.(PCC) is the owner of the FM and the registered name of Penacook Farmers Market.

We are located at 95 - 97 Village Street in Penacook. This is next to Woodlawn Cemetery and across from the entrance sign to MVHS. With the unusually long winter and cold Spring we are opening **June 17** at 4 - 6:30 PM. **We will be open every Monday except for July 1 and Sept 2, but our last Monday will be Sept. 30.**

There may not be potable drinking water or power but we will have bottled water and a Port-a-Potty. If you need power bring a generator. Our only goal is to bring affordable fresh produce to Penacook in a country setting and everything else is extra and adds to the cost.

While reading through the application, please note a couple descriptive words before each category of items you intend to sell. The key words are "products you produce". We invite vendors to apply that we believe grow, make or prepare their own items for sale. Not because we want to give everyone the most expensive shopping experience but people want healthy produce and quality products at a reasonable price. They also expect everything to be locally grown and made. Some also look for Certified Organic. So, if you intend on selling items that are not organic, or grown or made locally then you need to disclose that at your table with sign-age of some type. That is the only way we can keep the FM fair and balanced for the-shopper and vendor alike. Again, **local means New Hampshire**, if you sell vegetables or fruit, it is implied they were grown in NH. So, have sign-age saying if they are not NH native. If you sell Crafts, it is also implied they were made by you or someone else in NH. Please, have sign-age if they were not.

Thank you for your continued support,

Rick Jaques - Executive Director
