

August 2019

Dear Parents and Students,

Check out the sign-up sheet for parent/teacher conferences to go over your child's portfolio of this year's work. Please be sure to sign up for a conference, early morning or late afternoon. The sign-up sheet will be updated weekly as my schedule is available until all children have had their conference. Just sign-up on a time that works for you!

August is here folks! We will be having fun with the following themes, water play will be Tuesdays and Thursdays in the am and we will be going out in the morning and afternoon! We have the use of the larger play structure now which is next to the Monkey's Classroom, behind their playground. We will be in one of the three outdoor areas if we are not inside!

August 5-9 Park and Forest Rangers

We will have fun learning about what a Park or Forest Ranger does, they will have a bear hunt and a hiking/mountain obstacle course as well as dramatic play as a Ranger Station.

August 12-16 Summer Olympics

Synchronized Swimming, Balloon Tennis, Discus Throw, Basket Ball, Straw Javelin Olympic Crowns, Medals, Field Hockey and more!
(Ms. Anna will be on Vacation, but lots of fun has been planned for this theme!)

August 19-23 Summer Camp Wrap-Up! (Yes, already! It has flown by!)

We will repeat some favorite activities from this summer and try a few new ones. We will write a letter to next year's Busy Bees and leave them a book of our favorite activities from last year.

Watermelon Social at 4:30 PM on August 22! Join us for a slice of watermelon and one last hug before you leave for Kindergarten!

NO SCHOOL on August 23 – Classroom set up for the 2019-2020 school year!

August 26-30 Welcome to School! A new class of Busy Bees will have fun getting back into classwork again!

I have enjoyed this year with your children! They are awesome and will make you proud as they grow and learn next year in Kindergarten and beyond. Best of luck in all you do my Busy Bees!

Sincerely,

Anna Gibbs
